Program Goals And Objectives

The goal of Teacher TRAC (Training, Retention and Compensation) is to increase the number of early care and education teachers in Travis County who have college-level courses in child development leading to a CDA (credential), certificate or AAS degree and work with children receiving child care subsidies.

The goal of Director TRAC is to improve the qualifications of Travis County child care directors in centers serving children receiving child care subsidies through credit college coursework to meet Texas Department of Family and Protective Services Minimum Standards and Texas Rising Star Director Standards.

Although teachers and directors receive the services offered by this program, the ultimate goal of TRAC is to improve the accessibility, affordability, and quality of both early care and education for the children and families of the community.

Program Clients Served

The program participants in the TRAC program are teachers and directors in early care and education settings who have a contract to serve children receiving child care subsidies, who would benefit from additional education to improve teacher qualifications, and overall center quality standards. Teachers and directors will be referred to as 'participants' in this work statement.

Approved Client Eligibility Exception:

In lieu of the standard eligibility requirements in Exhibit A.3, eligibility requirements for TRAC are outlined below.

Residency: There is no residency requirement but participants must work in a child care center in the City of Austin or in Travis County. This can be verified on the Teacher TRAC/Director TRAC application and verified by the student's center director.

Income level: Hourly wage is less than or equal to \$20. This can be verified on the Teacher TRAC/Director TRAC application, where the information is self-reported twice a year.

Child care professional workload and experience: Participants must have at least six months experience working directly with young children in a child care setting, and have at least three months experience working in their current child care setting. This can be verified on the Teacher TRAC/Director TRAC application and verified by the student's center director..

Child Care Setting: Must work in a licensed child care center or licensed/registered family home that has a contract to accept families using subsidies This can be verified by the Child in Care Report from Workforce Solutions

Continuing or current Teacher TRAC/Director TRAC participants: Participants must currently be employed at sponsoring center and score a "C" or higher in TTRAC sponsored classes. Current students are grandfathered related to new priorities. Employment is reported on Teacher TRAC/Director TRAC application and verified by the student's center director. Grades are reported each semester by ACC.

Childcare settings that have a contract to serve children receiving subsidies are all those providers listed on the Children in Care list provided at least annually by Workforce Solutions. Center eligibility is verified annually in the first quarter of the agreement.

Child care teachers and directors working in Austin and/or Travis County complete an application twice a year—in the fall for the spring semester and in the spring for the summer and/or fall semesters which includes all the necessary data to determine their eligibility for the program. Participants who continue to meet eligibility requirements may continue in the program until they complete their degree plan.

Program Services And Delivery

Recruitment and Application Process:

The recruitment for TRAC is primarily steered toward currently employed early care and education teachers and directors employed in licensed child care centers or registered homes in Travis County that have a contract with Workforce Solutions to accept children receiving child care subsidies. Recruitment efforts are accomplished through brochure mail outs, emails, website information, coordination with Workforce and QC3 mentors for recommendations, recruiting tables at conferences, faculty involvement in community stakeholder groups, and personal contact with child care center directors. care and education teachers or directors submit an application and the TRAC Project Partnership Commitment signed by the individual and his or her director in the case of early care and education teachers. Director applications are signed by the director and owner or board president of the child care center.

Enrollment process:

Participant eligibility for TRAC assistance is determined by the criteria included in the City of Austin contract and is stated in the TRAC application documents. Eligible teachers and directors are assisted in the registration and advising processes to enroll in approved courses by the ACC TTRAC office. Participants are enrolled in courses that meet their degree plan requirements. Textbooks are pre-ordered for participants by the TRAC office and are available to participants at the beginning of the semester. Participants are also notified of any financial or academic holds they may have on their accounts. TRAC staff coordinates with other ACC departments to provide necessary assistance to rectify issues on the participant's behalf.

Last Dollar Assistance

Ensure whenever possible that students access T.E.A.C.H. funding and all other available funding before accessing TRAC funds.

Ongoing support:

TRAC participants are assisted in successfully completing college courses through faculty academic and career advising, faculty and ACC tutoring, monitoring of participant's progress in courses and contacting participant to discuss success strategies, and by directing participants to Student Success Services at ACC.

Completion Incentives:

Participants receive a \$200 incentive after the completion of their first ACC course with a "C" or above and additional incentive of \$500 after each additional 12 hours completed with a "C" or above.

System for Collecting and Reporting Program Data

The college's database system (DATATEL) is used to maintain records of courses, grades, financial records, and other information. Teacher and Director TRAC data consist of participant demographics, enrollment, registration, grades, and graduation data maintained in the ACC Datatel management system. Individual participant files are maintained in the TRAC office which include TRAC applications, advising worksheets, and course notifications. Also included in the individual participant files are name, address, place of employment, degree plan, Teacher TRAC Project Partnership Commitment and record of services rendered. This information is updated each semester participants are actively enrolled.

Teacher and Director TRAC participants participate in anonymous evaluation of their faculty every semester as part of the ACC general evaluation process. Faculty and course evaluations are maintained by the department chair.

Self-reported information from TRAC participants who withdraw from courses is maintained by the TRAC office to determine trends in reasons for their withdrawal. TRAC students are surveyed to determine the impact of available TRAC funding on program retention and completion. TRAC funder quarterly and annual reports are used to identify TRAC status and trends. TRAC reports and budgets are maintained by the department chair.

Performance Evaluation

The data results for programmatic effectiveness and performance goals are compiled for analysis by the department faculty and presented to the TRAC Advisory Committee. Programmatic changes are made as needed based on the Committee's suggestions. Achievement of stated outputs and outcomes are analyzed by department chair and faculty to determine recruitment and participant support needs. Specific TRAC data is compared to overall Child Development department data to determine if there are success issues unique to TRAC participants (retention, withdrawal, course success).

Quality Improvement

Quality improvement plans are implemented on an as needed basis as determined by the program's performance in achieving Teacher and Director TRAC's goals, as well as ratings and feedback received on the Child Development Program Evaluation Survey and The TRAC Community Advisory Committee. The Child Development Department Chair reviews information about the program's performance and make recommendations for needed quality improvement as well as responsiveness to the community needs.

Program Work Statement

Contract Start Date 10/1/2016 ***Contract End Date*** 9/30/2020

Quality improvement planning for Teacher and Director TRAC is completed by the TRAC Advisory Committee, which meets at least one time per year to review the program data and policies. Currently the committee members represent our partners such as Workforce Solutions Child Care Services and Child Inc., directors of community child care programs, previous or current TRAC participants, and Child Development program faculty and staff. Additional planning for Teacher and Director TRAC is done in conjunction with overall community planning efforts for young children, their families and their teachers as established in the community's Success By 6 Coalition Strategic Plan.

Service Coordination with Other Agencies

The Child Development Department of Austin Community College District and, therefore, the faculty and staff involved Teacher and Director TRAC have a long history of community cooperation. Collaborative planning for the needs of young children, their families and their teachers has resulted in long term collaborative partnerships and projects between ACC's Child Development Department and other agencies such as Child Inc., United Way, AVANCE, and Workforce Solutions. As so, ACC Child Development department faculty has been involved in the development of the Success By 6 Coalition Strategic Plan led by United Way. As a result, the ACC Child Development department's mission, goals and course content closely align with the overall purpose and goals of the Strategic Plan. As a workforce program at ACC our aim is to develop highly qualified child care staff to improve the quality of child care in the community.

The TRAC program at ACC is funded collaboratively with City of Austin, Travis County, and Workforce Solutions. City of Austin and Travis County have collaborated to have program eligibility and criteria that is the same to allow local dollars to be used after other available funds from programs such as T.E.A.C.H. that also support teacher and director education. (Workforces Solutions' criteria for TRAC eligibility is slightly different.) Therefore, ACC will work with participants to direct them to access T.E.A.C.H. funding first and to use local funding for TRAC from City of Austin, Travis County, and Workforce Solutions as a last dollar assistance whenever possible.

Service Collaboration with Other Agencies

This agreement contains no subgrantees.

Community Planning Activities

The ACC Child Development Department continues to actively support the Success By 6 Coalition Strategic Plan, participating in the leadership team and the Quality Child Care Collaborative (QC3). The ACC Child Development Department Chair supports the local chapter of the Texas Association for the Education of Young Children, and is on the board of AVANCE.

Program Goals And Objectives

The goal of Teacher TRAC (Training, Retention and Compensation) is to increase the number of early care and education teachers in Travis County who have college-level courses in child development leading to a CDA (credential), certificate or AAS degree.

The goal of Director TRAC is to improve the qualifications of Travis County child care directors through credit college coursework to meet Texas Department of Family and Protective Services Minimum Standards and Texas Rising Star Director Standards.

Overall the TRAC program provides scholarships for courses, textbooks and financial incentives to participants for successfully completing Child Development courses and who are working in centers serving at least 20% families with low income or at least 10 children from low income families. The program aims to increase the number of knowledgeable, skilled early care and education teachers and directors and help to prevent the problems associated with poor quality child care.

Program Clients Served

The program participants in the TRAC program are teachers and directors in early care and education settings. Although teachers and directors receive the services offered by this program, the overall goal of TRAC is to ultimately improve the accessibility, affordability, and quality of both early care and education for the children and families of the community. A vast body of research shows that disadvantaged children who receive quality early childhood education do better in school and have significantly better social and economic outcomes in life. The TRAC program aims to improve teacher and director qualifications by providing additional education on quality standards and practices in child care. Upholding quality professional practices that are tied directly to improved child outcomes for the most at-risk children is foundational to the TRAC program and the efforts of the early childhood community. This program approach is consistent with best practices in the School Readiness Action Plan for Austin/Travis County, and helps to ensure high quality practices are occurring in settings with the most disadvantaged children.

Approved Client Eligibility Exception:

In lieu of the standard eligibility requirements in Exhibit A.3, all clients that work in child care centers serving at least 20% of families with low-income or at least 10 children from families with low-income are eligible to participate in TRAC programming funded by the City of Austin. Childcare settings that meet the qualifications for serving families with low income status is determined by the Children in Care list provided annually by Workforce Solutions. Low income is defined by family income below 200 percent of Federal Poverty Guidelines. Center eligibility is verified annually in the first quarter of the agreement. Child care teachers and directors living or working in Austin and/or Travis County complete an application twice a year—in the fall for the spring semester and in the spring for the summer and/or fall semesters which includes all the necessary data to determine their eligibility for the program. Participants who continue to meet eligibility requirements may continue in the program until they complete their degree plan.

Recruitment and Application Process:

The recruitment for TRAC is primarily steered toward currently employed early care and education teachers and directors employed in licensed child care centers or registered homes in Travis County who have subsidized children in care. Recruitment efforts are accomplished through brochure mail outs, emails, website information, coordination with Workforce and QC3 mentors for recommendations, recruiting tables at conferences, faculty involvement in community stakeholder groups, and personal contact with child care center directors. Interested early care and education teachers or directors submit an application and the TRAC Project Partnership Commitment signed by the individual and his or her director in the case of early care and education teachers. Director applications are signed by the director and owner or board president of the child care center.

Enrollment process:

Participant eligibility for TRAC scholarship is determined by the criteria included in the City of Austin contract and is stated in the TRAC application documents. Eligible teachers and directors are assisted in the registration and advising processes to enroll in approved courses by the ACC TTRAC office. Participants are enrolled in courses that meet their degree plan requirements. Textbooks are pre-ordered for participants by the TRAC office and are available to participants at the beginning of the semester. TRAC participants are assisted in successfully completing college courses through faculty academic and career advising, faculty and ACC tutoring, monitoring of participant's progress in courses and contacting participant to discuss student success strategies, including life coaching, as needed, and by directing participants to Student Success Services at ACC.

Stipends:

Child care employees receive a \$50 incentive after the completion of their first ACC course with a "C" or above and additional incentive of \$100 after each additional 12 hours completed with a "C" or above.

System for Collecting and Reporting Program Data

The college's database system (DATATEL) is used to maintain records of courses, grades, financial records, and other information. Teacher and Director TRAC data consist of participant demographics, enrollment, registration, grades, and graduation data maintained in the ACC Datatel management system. Individual participant files are maintained in the TRAC office which include TRAC applications, advising worksheets, and course notifications. Also included in the individual participant files are name, address, place of employment, degree plan, Teacher TRAC Project Partnership Commitment and record of services rendered. This information is updated each semester participants are actively enrolled.

Teacher and Director TRAC participants participate in anonymous evaluation of their faculty every semester as part of the ACC general evaluation process. Faculty and course evaluations are maintained by the department chair. Self-reported information from TRAC participants who withdraw from courses is maintained by the TRAC office to determine trends in reasons for their withdrawal. TRAC students are surveyed to determine the impact of available TRAC funding on program retention and completion. TRAC funder quarterly and annual reports are used to identify TRAC status and trends. TRAC reports and budgets are maintained by the department chair.

Performance Evaluation

The data results for programmatic effectiveness and performance goals are compiled for analysis by the department faculty and presented to the TRAC Advisory Committee. Programmatic changes are made as needed based on the Committee's suggestions. Achievement of stated outputs and outcomes are analyzed by department chair and faculty to determine recruitment and participant support needs. Specific TRAC data is compared to overall Child Development department data to determine if there are success issues unique to TRAC participants (retention, withdrawal, course success).

Quality Improvement

Quality improvement plans are implemented on an as needed basis as determined by the program's performance in achieving Teacher and Director TRAC's goals, as well as ratings and feedback received on the Child Development Program Evaluation Survey. The TRAC Community Advisory Committee and the Child Development Department Chair review information about the program's performance and make recommendations for needed quality improvement as well as responsiveness to the community needs.

Quality improvement planning for Teacher and Director TRAC is completed by the TRAC Advisory Committee, which meets at least one time per year to review the program data and policies. Currently the committee members represent our partners such as Workforce Solutions Child Care Services and Child Inc., directors of community child care programs, previous or current TRAC participants, and Child Development program faculty and staff.

Improvement plans include a targeted result and an end-date to measure the impact of the improvement. Additional planning for Teacher and Director TRAC is done in conjunction with overall community planning efforts for young children, their families and their teachers as established in the School Readiness Action Plan.

Service Coordination with Other Agencies

The Child Development Department of Austin Community College District and, therefore, the faculty and staff involved Teacher and Director TRAC have a long history of community cooperation. Collaborative planning for the needs of young children, their families and their teachers has resulted in long term collaborative partnerships and projects between ACC's Child Development Department and other agencies such as Child Inc., United Way, AVANCE, and Workforce Solutions. so, ACC Child Development department faculty has been involved in the development of the School Readiness Action Plan (SRAP) lead by United Way. As a result, the ACC Child Development department's mission, goals and course content closely align with the overall purpose and goals of the SRAP. As a workforce program at ACC our aim is to develop highly qualified childcare staff to improve the quality of child care in the community.

The TRAC program at ACC is funded collaboratively with City of Austin, Travis County, and Workforce Solutions. Specific criteria for TRAC eligibility is unique for each funder (City of Austin, Travis County, and Workforce Solutions.) As a result, our department has flexibility in funding participants who fall under each different criteria and thus are able to accept more applicants with diverse backgrounds and work experiences. An additional collaborative partnership in which Child Incorporated provides tuition for students while Teacher TRAC provides support, advising, books and incentives. This allows more teachers serving the community's most vulnerable children who are in Head Start access to better knowledge and skills to be effective teachers and prepare these children for success.

Service Collaboration with Other Agencies

The Grantee agrees to use protective measures no less stringent than the Grantee uses within its own business to protect its own most valuable information, which protective measures shall under all circumstances be at least reasonable measures to ensure the continued confidentiality of the Confidential Information.

8.9 **Advertising.** Where such action is appropriate as determined by the City, Grantee shall publicize the activities conducted by the Grantee under this Agreement. Any news release, sign, brochure, or other advertising medium including websites disseminating information prepared or distributed by or for the Grantee shall recognize the City as a funding source and include a statement that indicates that the information presented does not officially represent the opinion or policy position of the City.

- 8.10 **No Contingent Fees.** The Grantee warrants that no person or selling agency has been employed or retained to solicit or secure the Agreement upon any agreement or understanding for commission, percentage, brokerage, or contingent fee, excepting bona fide employees of bona fide established commercial or selling agencies maintained by the Grantee for the purpose of securing business. For breach or violation of this warranty, the City shall have the right, in addition to any other remedy available, to cancel the Agreement without liability and to deduct from any amounts owed to the Grantee, or otherwise recover, the full amount of such commission, percentage, brokerage or contingent fee.
- 8.11 **Gratuities.** The City may, by written notice to the Grantee, cancel the Agreement without liability if it is determined by the City that gratuities were offered or given by the Grantee or any agent or representative of the Grantee to any officer or employee of the City with a view toward securing the Agreement or securing favorable treatment with respect to the awarding or amending or the making of any determinations with respect to the performing of such Agreement. In the event the Agreement is canceled by the City pursuant to this provision, the City shall be entitled, in addition to any other rights and remedies, to recover or withhold the amount of the cost incurred by the Grantee in providing such gratuities.
- 8.12 **Prohibition Against Personal Interest in Agreements.** No officer, employee, independent consultant, or elected official of the City who is involved in the development, evaluation, or decision-making process of the performance of any solicitation shall have a financial interest, direct or indirect, in the Agreement resulting from that solicitation. Any willful violation of this section shall constitute impropriety in office, and any officer or employee guilty thereof shall be subject to disciplinary action up to and including dismissal. Any violation of this provision, with the knowledge, expressed or implied, of the Grantee shall render the Agreement voidable by the City.
- 8.13 **Independent Grantee.** The Agreement shall not be construed as creating an employer/employee relationship, a partnership, or a joint venture. The Grantee's services shall be those of an independent Grantee. The Grantee agrees and understands that the Agreement does not grant any rights or privileges established for employees of the City.
- 8.14 **Assignment-Delegation.** The Agreement shall be binding upon and enure to the benefit of the City and the Grantee and their respective successors and assigns, provided however, that no right or interest in the Agreement shall be assigned and no obligation shall be delegated by the Grantee without the prior written consent of the City. Any attempted assignment or delegation by the Grantee shall be void unless made in conformity with this paragraph. The Agreement is not intended to confer rights or benefits on any person, firm or entity not a party hereto; it being the intention of the parties that there be no third party beneficiaries to the Agreement.
- 8.15 **Waiver.** No claim or right arising out of a breach of the Agreement can be discharged in whole or in part by a waiver or renunciation of the claim or right unless the waiver or renunciation is supported by consideration and is in writing signed by the aggrieved party. No waiver by either the Grantee or the City of any one or more events of default by the other party shall operate as, or be construed to be, a permanent waiver of any rights or obligations under the Agreement, or an express or implied acceptance of any other existing or future default or defaults, whether of a similar or different character.
- 8.16 **Modifications.** The Agreement can be modified or amended only by a written, signed agreement by both parties. No pre-printed or similar terms on any Grantee invoice, order, or other document shall have any force or effect to change the terms, covenants, and conditions of the Agreement.
- 8.17 **Interpretation.** The Agreement is intended by the parties as a final, complete and exclusive statement of the terms of their agreement. No course of prior dealing between the parties or course of performance or usage of the trade shall be relevant to supplement or explain any term used in the Agreement. Although the Agreement may have been substantially drafted by one party, it is the intent of the parties that all provisions be construed in a manner to be fair to both parties, reading no

provisions more strictly against one party or the other. Whenever a term defined by the Uniform Commercial Code, as enacted by the State of Texas, is used in the Agreement, the UCC definition shall control, unless otherwise defined in the Agreement.

8.18 Dispute Resolution.

8.18.1 If a dispute arises out of or relates to the Agreement, or the breach thereof, the parties agree to negotiate prior to prosecuting a suit for damages. However, this section does not prohibit the filing of a lawsuit to toll the running of a statute of limitations or to seek injunctive relief. Either party may make a written request for a meeting between representatives of each party within fourteen (14) calendar days after receipt of the request or such later period as agreed by the parties. Each party shall include, at a minimum, one (1) senior level individual with decision-making authority regarding the dispute. The purpose of this and any subsequent meeting is to attempt in good faith to negotiate a resolution of the dispute. If, within thirty (30) calendar days after such meeting, the parties have not succeeded in negotiating a resolution of the dispute, they will proceed directly to mediation as described below. Negotiation may be waived by a written agreement signed by both parties, in which event the parties may proceed directly to mediation as described below.

8.18.2 If the efforts to resolve the dispute through negotiation fail, or the parties waive the negotiation process, the parties may select, within thirty (30) calendar days, a mediator trained in mediation skills to assist with resolution of the dispute. Should they choose this option, the City and the Grantee agree to act in good faith in the selection of the mediator and to give consideration to qualified individuals nominated to act as mediator. Nothing in the Agreement prevents the parties from relying on the skills of a person who is trained in the subject matter of the dispute or an Agreement interpretation expert. If the parties fail to agree on a mediator within thirty (30) calendar days of initiation of the mediation process, the mediator shall be selected by the Travis County Dispute Resolution Center (DRC). The parties agree to participate in mediation in good faith for up to thirty (30) calendar days from the date of the first mediation session. The City and the Grantee will share the mediator's fees equally and the parties will bear their own costs of participation such as fees for any consultants or attorneys they may utilize to represent them or otherwise assist them in the mediation.

The parties further agree to reform the Agreement to replace any stricken provision with a valid provision that comes as close as possible to the intent of the stricken provision. Program Goals And Objectives

The goal of Teacher TRAC (Training, Retention and Compensation) is to increase the number of early care and education teachers in Travis County who have college-level courses in child development leading to a CDA, certificate or AAS degree.

The goal of Director TRAC is to improve the qualifications of Travis County child care directors through credit college coursework to meet Texas Department of Family and Protective Services Minimum Standards and Texas Rising Star Director Standards.

Overall the TRAC program provides scholarships for courses, textbooks and financial incentives to participants for successfully completing Child Development courses and who are working in centers serving at least 20% families with low income or at least 10 children from low income families. The program aims to increase the number of knowledgeable, skilled early care and education teachers and directors and help to prevent the problems associated with poor quality child care.

Program Clients Served

The target population for the TRAC program are teachers and directors in early care and education settings, who would benefit from additional education to improve teacher qualifications, and overall center quality standards. Clients served are eligible for TRAC by working in child care centers serving at least 20% families with low income or at least 10 children from low income families. Child care teachers and directors in Austin/Travis County complete an application twice a year—in the fall for the spring semester and in the spring for the summer and/or fall semesters which includes all the necessary data to determine their eligibility for the program. Participants who continue to meet eligibility requirements may continue in the program until they complete their degree plan.

Program Services And Delivery

Recruitment and Application Process:

The recruitment for TRAC is primarily steered toward currently employed early care and education teachers and directors employed in licensed child care centers or registered homes in Travis County who have subsidized children in care. Recruitment efforts are accomplished through brochure mail outs, emails, website information, coordination with Workforce and QC3 mentors for recommendations, recruiting tables at conferences, faculty involvement in community stakeholder groups, and personal contact with child care center directors. Interested early care and education teachers or directors submit an application and the TRAC Project Partnership Commitment signed by the individual and his or her director in the case of early care and education teachers. Director applications are signed by the director and owner or board president of the child care center.

Enrollment process:

Participant eligibility for TRAC scholarship is determined by the criteria included in the City of Austin contract and is stated in the TRAC application documents. Eligible teachers and directors are assisted in the registration and advising processes to enroll in approved courses by the ACC TTRAC office. Participants are enrolled in courses that meet their degree plan requirements. Textbooks are pre-ordered for participants by the TRAC office and are available to participants at the beginning of the semester. Participants are also notified of any financial or academic holds they may have on their accounts. TRAC staff coordinates with other ACC departments to provide necessary assistance to rectify issues on the participant's behalf.

Ongoing support:

TRAC participants are assisted in successfully completing college courses through faculty academic and career advising, faculty and ACC tutoring, monitoring of participant's progress in courses and contacting participant to discuss student success strategies, including life coaching, as needed, and by directing participants to Student Success Services at ACC.

Stipends:

Child care employees receive a \$50 incentive after the completion of their first ACC course with a "C" or above and additional incentive of \$100 after each additional 12 hours completed with a "C" or above.

The college's database system (DATATEL) is used to maintain records of courses, grades, financial records, and other information. Teacher and Director TRAC data consist of participant demographics, enrollment, registration, grades, and graduation data maintained in the ACC Datatel management system. Individual participant files are maintained in the TRAC office which include TRAC applications, Degree Map transcripts, advising worksheets, and course notifications. Also included in the individual participant files are name, address, place of employment, degree plan, Teacher TRAC Project Partnership Commitment and record of services rendered. This information is updated each semester participants are actively enrolled.

Teacher and Director TRAC participants participate in anonymous evaluation of their faculty every semester as part of the ACC general evaluation process. Faculty and course evaluations are maintained by the department chair. Anecdotal data on TRAC participants who withdraw from courses is maintained by the TRAC office to determine trends in reasons for their withdrawal. Additionally, anecdotal reports to the Teacher and Director TRAC coordinator and faculty are compiled and maintained in participant files for a very "personal" view of the Project. Last, TRAC funder quarterly and annual reports are used to identify TRAC status and trends. TRAC reports and budgets are maintained by the department chair.

Performance Evaluation

The data results for programmatic effectiveness and performance goals are compiled for analysis by the department faculty and presented to the TRAC Advisory Committee. Programmatic changes are made as needed based on the Committee's suggestions. Achievement of stated outputs and outcomes are analyzed by department chair and faculty to determine recruitment and participant support needs. Specific TRAC data is compared to overall Child Development department data to determine if there are success issues unique to TRAC participants (retention, withdrawal, course success).

Quality Improvement

Quality improvement plans are implemented on an as needed basis as determined by the program's performance in achieving Teacher and Director TRAC's goals, as well as ratings and feedback received on the Child Development Program Evaluation Survey. The TRAC Community Advisory Committee and the Child Development Department Chair review information about the program's performance and make recommendations for needed quality improvement as well as responsiveness to the community needs.

Quality improvement planning for Teacher and Director TRAC is completed by the TRAC Advisory Committee, which meets at least one time per year to review the program data and policies. Currently the committee members represent our partners such as Workforce Solutions Child Care Services and Child Inc., directors of community child care programs, previous or current TRAC participants, and Child Development program faculty and staff.

Improvement plans include a targeted result and an end-date to measure the impact of the improvement. Additional planning for Teacher and Director TRAC is done in conjunction with overall community planning efforts for young children, their families and their teachers as established in the School Readiness Action Plan.

Service Coordination with Other Agencies

The Child Development Department of Austin Community College District and, therefore, the faculty and staff involved Teacher and Director TRAC have a long history of community cooperation. Collaborative planning for the needs of young children, their families and their teachers has resulted in long term collaborative partnerships and projects between ACC's Child Development Department and other agencies such as Child Inc., United Way, AVANCE, and Workforce Solutions. As so, ACC Child Development department faculty has been involved in the development of the School Readiness Action Plan (SRAP) lead by United Way. As a result, the ACC Child Development department's mission, goals and course content closely align with the overall purpose and goals of the SRAP. As a workforce program at ACC our aim is to develop highly qualified childcare staff to improve the quality of child care in the community.

Service Collaboration with Other Agencies

The TRAC program at ACC is funded collaboratively with City of Austin, Travis County, and Workforce Solutions. Specific criteria for TRAC eligibility is unique for each funder (City of Austin, Travis County, and Workforce Solutions.) As a result, our department has flexibility in funding participants who fall under each different criteria and thus are able to accept more applicants with diverse backgrounds and work experiences. An additional collaborative partnership in which Child Incorporated provides tuition for students while Teacher TRAC provides support, advising, books and incentives. This allows more teachers serving the community's most vulnerable children who are in Head Start access to better knowledge and skills to be effective teachers and prepare these children for success.

This policy covers all aspects of employment, including hiring, placement, upgrading, transfer, demotion, recruitment, recruitment advertising, selection for training and apprenticeship, rates of pay or other forms of compensation, and layoff or termination.

Further, employees who experience discrimination, sexual harassment, or another form of harassment should immediately report it to their supervisor. If this is not a suitable avenue for

addressing their complaint, employees are advised to contact another member of management or their human resources representative. No employee shall be discriminated against, harassed, intimidated, nor suffer any reprisal as a result of reporting a violation of this policy. Furthermore, any employee, supervisor, or manager who becomes aware of any such discrimination or harassment should immediately report it to executive management or the human resources office to ensure that such conduct does not continue.

Contractor agrees that to the extent of any inconsistency, omission, or conflict with its current non-discrimination employment policy, the Contractor has expressly adopted the provisions of the City's Minimum Non-Discrimination Policy contained in Section 5-4-2 of the City Code and set forth above, as the Contractor's Non-Discrimination Policy or as an amendment to such Policy and such provisions are intended to not only supplement the Contractor's policy, but will also supersede the Contractor's policy to the extent of any conflict.

UPON CONTRACT AWARD, THE CONTRACTOR SHALL PROVIDE A COPY TO THE CITY OF THE CONTRACTOR'S NON-DISCRIMINATION POLICY ON COMPANY LETTERHEAD, WHICH CONFORMS IN FORM, SCOPE, AND CONTENT TO THE CITY'S MINIMUM NON-DISCRIMINATION POLICY, AS SET FORTH HEREIN, OR THIS NON-DISCRIMINATION POLICY, WHICH HAS BEEN ADOPTED BY THE CONTRACTOR FOR ALL PURPOSES (THE FORM OF WHICH HAS BEEN APPROVED BY THE CITY'S EQUAL EMPLOYMENT/FAIR HOUSING OFFICE), WILL BE CONSIDERED THE CONTRACTOR'S NON-DISCRIMINATION POLICY WITHOUT THE REQUIREMENT OF A SEPARATE SUBMITTAL.

Sanctions:

Our firm understands that non-compliance with Chapter 5-4 may result in sanctions, including termination of the contract and suspension or debarment from participation in future City contracts until deemed compliant with the requirements of Chapter 5-4.

Term:

The Contractor agrees that this Section 0800 Non-Discrimination Certificate or the Contractor's separate conforming policy, which the Contractor has executed and filed with the Owner, will remain in force and effect for one year from the date of filing. The Contractor further agrees that, in consideration of the receipt of continued Contract payments, the Contractor's Non-Discrimination Policy will automatically renew from year-to-year for the term of the underlying Contract.
